The Stock Market is buoyant to-day, and most of the fancies improved. The better feeling continued up entative action in Stonington.

There is a better demand for Exchange than of late, and the market is firm with but a fair supply. There is an unusual demand just now on account of the Alabama internal improvements going forward and some payments for account of this State, and this has strenghened the market. We quote Sterling 94 a 94; Francs 5 25.

In specie there is very little movement, and we know of no shipments excepting a few dollars for Havre, and a lot of \$16,000 for Montreal. Mexicans are \(\frac{1}{2} a \) \(\frac{3}{2} \) prem.

The money market is easy, and loans and paper negotiated with facility, at 5j a 6 per cent.

The receipts at the Custom House for the week ending May 10th, were about \$80,000 less than for the corresponding week of last year.

The receipts were.
